UNITED KINGDOM

Professor John Kersey
University President
European-American University
8 Copthall
Roseau Valley
00152 Commonwealth of Dominica

9th February 2011

Dear Professor Kersey

The Committee of Management of The Institute of Manufacturing has evaluated the work requirements for the following European-American University programs and will give graduates of such programs the following professional qualification awards:

- Bachelor of Business Administration (Honours) in Manufacturing – Full Membership grade.
- Executive Master of Business Administration with Manufacturing emphasis – Fellow Membership grade.
- Master of Business Administration with Manufacturing emphasis – Fellow Membership grade.
- Doctor of Philosophy (researching a Manufacturing topic) – Companion Membership grade.
- Doctor of Business Administration with Manufacturing emphasis – Companion Membership grade.

This recognition is valid until 31st December 2014 when a further review of European-American University programs in these areas will be conducted.

Yours sincerely

Mrs Lynne P Sykes
Administrative Director
