Professor John Kersey
University President
European-American University
8 Copthall
Roseau Valley
00152 Commonwealth of Dominica

9th February 2011

Dear Professor Kersey

The Committee of Management of Professional Business & Technical Management has evaluated the work requirements for the following European-American University programs and will give graduates of such programs the following professional qualification awards:

- Bachelor of Business Administration (Honours) in a Technical discipline – Full Membership grade.
- Executive Master of Business Administration in a Technical discipline – Fellow Membership grade.
- Master of Business Administration in a Technical discipline – Fellow Membership grade.
- Master of Science in a Technical discipline – Fellow Membership grade.
- Doctor of Philosophy (researching a Technical topic) – Companion Membership grade.
- Doctor of Business Administration with Technical emphasis – Companion Membership grade.

This recognition is valid until 31st December 2014 when a further review of European-American University programs in these areas will be conducted.

Yours sincerely

Mrs Lynne P Sykes
Administrative Director
